

Ground Transportation

Depending on the airport you fly into, a rental car may not be needed by SAWS IV Workshop participants because there are a variety of ground transportation options. In addition, a free carpool is being arranged to transport participants to the Albuquerque Air Route Traffic Control Center for the tour on Oct 25th (you will be given the option to sign up for the carpool when you register). Further, there are several dining options within walking distance of the Albuquerque Marriott, and the Marriott has its own restaurant on site.

From/To the Albuquerque International Sunport (KABQ)

- **Sunport Shuttle** - Round trip tickets cost \$28 for the first passenger and \$10 for each additional passenger. The one-way fare is \$15 for the first passenger and \$5 for each additional passenger. Rides must be reserved in advance:

It's a good idea to plan your bus trip in advance using the on-line Trip Planner or by calling an ABQ Ride trip consultant:
